Accommodation

Students are responsible for arranging their own accommodation. Nevertheless, although the UVigo has no housing officer, it does offer a few options of its own:

<https://www.uvigo.gal/en/campus/advantages/accommodation>

We recommend students to contact ESN Vigo using the following link:

<https://www.esnvido.org/satellite4/contact>

Subject registration

Exchange students can participate in regular academic programs, including undergraduate and master courses in all subjects, although admission for master courses requires prior authorisation from the relevant master programme's coordinator:

<https://www.uvigo.gal/en/study/what-study>

Courses are taught in Spanish or Galician. Some faculties also offer courses in English or English-Friendly courses.

In order to prepare their learning agreement and to receive information regarding our course offering, students are advised to contact our international coordinators at the faculties/schools of their interest:

<https://www.uvigo.gal/en/study/mobility>

Language requirements

Minimum B1 Spanish/English. Students who wish to study at UVigo must either have a good command of Spanish if they want to attend courses in Spanish/Galician, or English if they want to attend courses in English. Students must check the offer in English. Our bachelor and master degree programmes are mainly given in Spanish/Galician.

Spanish and Galician courses

The Language Centre (Centro de Linguas) offers a reduced fee to all exchange students who enrol in their semester courses. Spanish courses are held twice a year and begin at the start of each semester. For further information: centrodelinguas@uvigo.es

We also offer free Galician Language and Culture courses through our Galician Language Standardisation Service (Área de Normalización Lingüística –ANL-).

For further information: anl@uvigo.es

Important: The Spanish and Galician courses' marks will not be reflected in the students' transcript of records. Students who attend classes and pass the final exam, will obtain a diploma issued by the Centro de Linguas or ANL. This is the only certification they will receive.

Welcome sessions for incoming students

Welcome sessions normally take place at the beginning of each semester. Accepted students will receive information about them in due course.

FZWBs [eZ YdV] YdkefW US TWäg V[fZWST'WVWäi ,

| Marks | Definition |
|-------------------------|---|
| Matrícula de honor (10) | EXCELLENT - outstanding performance with only minor errors: just in very exceptional cases. |
| Sobresaliente (9.0-9.9) | VERY GOOD - above the average standard but with some errors |
| Notable (7.0-8.9) | GOOD - generally sound work with a number of notable errors |
| Aprobado (5.0-6.9) | SATISFACTORY/SUFFICIENT - performance meets the minimum criteria. Average performance. |
| Suspenseo (less than 5) | FAILED |

When the student receives their grades they will be given further information with regards to the ECTS system. The ECTS grade is based on the average achieved by students in that module. It could be that a student with a 7 gets a "good" but an "A" according to the ECTS scale if they are in the top 10% of the results.

Further information

The Universidade de Vigo is organised on a multi-campus structure. Courses are taught in three cities: Pontevedra, Ourense and Vigo (the main campus). Students need to take note of the campus they have been nominated for, since campus changes will only be possible in exceptional circumstances.
